

The Quiet Path — Live Chat Rules

Last Updated: October 3, 2026

Welcome to The Quiet Path community chat. To keep this space focused, respectful, and productive, all members must follow the rules below. By signing in with Google and entering the chat, you agree to these terms.

1. Respect Others

Treat every member with respect. No harassment, hate speech, personal attacks, or discriminatory language. Disagreements are fine; disrespect is not.

2. No Spam or Self-Promotion

Do not post unsolicited links, advertisements, referral codes, or promotions for other groups, products, or services. This includes DMing members without consent.

3. No Financial Advice

This chat is for discussion and support, not financial advice. Do not tell others what to buy, sell, or trade. You may share your own experience, but always with the understanding that others must do their own research.

4. Stay on Topic

Keep conversations relevant to the themes of The Quiet Path: discipline, faith, focus, trading psychology, and personal growth. Off-topic conversations should be taken to private messages.

5. No Piracy or Illegal Content

Do not share copyrighted material, pirated software, or anything that violates the law.

6. Protect Privacy

Do not share your own or others' personal information (addresses, phone numbers, financial details, etc.) in the chat.
